

Meeting on 4/27/22:

Discussion:

- Are we happy with the results? We are happy and don't need to change anything
- Noah made the completed game & made design doc
- Caleb & Luke will work together to continue and edit the presentation
- After Luke met with Dr. Lin, he knows what we need on the doc (basically our code and explaining it)
- We know our date that we are discussing our presentation 5/3, 10:30, 2nd in line
- We will meet again sometime Saturday or Sunday to discuss rolls on the presentation
